Studying in B. Tech CSE (1st year) at Techno India , Batanagar
Kolkata

Summary

I always knew that I wanted to write, but I wasn't ever sure how to go about it. Now, I am studying in b. Tech. I'm learning something new everyday & also focusing on my skill. Frankly, I told that I have no previous work experience, but I know how to learn new things & implement it. If you give me a chance to work with you, I will try my best to do that.
